Dear Parents

Kindergarten Enrolments
Once again our 5 new Kindergarten students attended our school on Monday and had a wonderful time in the K-2 classroom for their final Orientation session. We have sent them off to eagerly await the start of next year when they can come to school every day!

Intensive Swimming Program
Information regarding our annual Swimsafe program is included with this newsletter. The program will begin on Monday 30th November and run for two weeks. All levels of swimming ability are catered for, as we would like as many children as possible to be involved. Please return all notes and money as soon as possible and if there are any difficulties with payment or any questions about the program please don’t hesitate to contact me.

Student Representative Council (SRC)
In their last small schools video conference for 2015 our SRC will complete a personal information sheet on the Primary School experience to share with all the other schools. Thank you to Mr Stewart for working with the SRC this year.

Early Birds
Everyone is reminded that students should not be at school before 8:30am. Staff supervision commences at this time.

Library News
A reminder that borrowing for this year will finish at the end of this week. Perhaps now is a good time to have a look around the house to find any library books that need returning so that our annual stocktake can begin.

Final Assembly
Advance notice that our final assembly will be at 9am on Friday 27th November. We hope that you can attend and please stay and join us for morning tea afterwards. A plate of morning tea to share would be appreciated. We are looking forward to seeing you all as we celebrate with you our achievements for the term.
