Dear Parents

Can you believe it is Week 10 already – where have those weeks gone? I cannot end the term without acknowledging everyone who has helped make this term successful – so, thank you to all the parents who have assisted the school this term – either through helping in the classrooms, helping out with transport or attending the numerous functions held at the school. The school and home working together to always improve your child’s educational outcomes is always our top priority!

Healthy Lunch box Challenge
This challenge will end tomorrow with a prize awarded for the class with the healthiest food during the past fortnight. Thank you to those who helped encourage their children to eat healthily – and supplied lots of fresh green fruit and vegetables.

Wiradjuri Language
A reminder that tomorrow we will be walking down to Wise Park to view the canoe tree and learn the history and cultural importance of this artefact. This activity is part of our Wiradjuri Cultural program that we are currently implementing at school.

End of Term Assembly
A reminder that our end of term assembly will be this Friday, 18th September at 9am. We invite you to stay afterward and share an early morning tea with us. If possible could you please bring a plate of morning tea with you to share. Thank you and we are looking forward to seeing you all at our assembly.

Woolworths Earn and Learn
As this program has now finished, could all stickers please be sent in to school by tomorrow. Thank you for your support with this promotion.

Sporting Schools
This term the students have participated in a number of netball skills lessons thanks to the additional funding we received through Sporting Schools. Term 4 will see the children participate in a 7 week tennis clinic.

Music at Geurie
Music lessons have now begun on a Monday for the students in Years 3 to 6. This initiative was a request from parents through a survey conducted at the end of last year. We thank Mrs Jane Bowen for working at our school each Monday and the hope is to continue the program in 2016, when all students will be able to participate. We have been able to fund this program through additional funds received under Local Schools, Local Decisions.

School Holiday Dates
The last day of Term 3 is Friday 18th September. Term 4 resumes Tuesday 6th October for all staff and students.

Wishing you all an enjoyable holiday. Keep safe and enjoy this beautiful spring weather we are currently experiencing.

Trish Farley – Principal

Student of the Week

Congratulations to Sophie Simpson who is our Student of the Week. Sophie is always a kind and caring friend both in the classroom and the playground. She is polite and always has a lovely smile to share. Sophie always tries her hardest when working in class and is improving in her spelling and reading. Well done Sophie!
