Dear Parents

Science and Engineering Challenge
Our Year 5 and 6 students will be attending the Western Plains Science and Engineering Challenge tomorrow, Thursday 10th March. The day will involve fun and competitive team based activities involving the principles of science, engineering and technology. This is a fantastic opportunity for our students. A reminder to take your child to the Dubbo Racecourse by 9.20am and collect them at 2.15pm.

SRC News
The Student Representative Council are planning to hold an Easter Raffle and need your assistance. They require donations of Easter Eggs that can be the prizes for their raffle. Donations can be sent in from now on and left with Karen at the office. A book of raffle tickets is enclosed for each family to try and sell. Parents please encourage your children to ‘keep safe’ while selling these tickets – that is only to friends and neighbours in daylight hours. If you prefer not to sell tickets then kindly return them to the school office so your child’s name can be marked off. The SRC appreciates your support with this fundraising effort.

Parent Teacher Interviews
During Week 10 of this term Mrs Irwin and I will be conducting interviews to let you know how your child has begun their school year. These interviews will be held on Wednesday 30th March between 3.30 and 6.30pm. Mr Stewart is also available after school on that Wednesday if you would like to make an appointment to see him. A note to indicate your preferred time is attached. Please fill in the form and return to the school office.

SRC Leadership Day
On Thursday 17th March the SRC from Geurie and other Small Schools will be joining in a leadership day at Geurie.

P&C Meal
The P&C will be providing the first Meal Deal for the term on Thursday 17th March. $4 per child will purchase a chicken salad wrap, a drink and an ice block. Please complete the attached form and return by Monday.

Easter Eggs
We have been decorating very large Easter Eggs for the Orana Mall Easter Display. Make sure you hop into the Mall to view our creations.

STUDENT OF THE WEEK

Congratulations to Dwight Harvey who is our Student of the Week. Dwight is a quiet, sensible student. He always tries his best and has settled well into our class. Well done Dwight! Keep up the good work.
